PROFESSIONAL EXPERIENCE

Referral Engine Company, Inc. President 1999 to 2016

A business whose business is teaching professionals how to generate revenue for themselves and firm: accountants, bankers, consultants, financial services, lawyers, any professional who relies on “relationships and referrals” for client development. Clients have included firms like *Bank of America, White & Case, Christie Parker & Hale, Comerica, Deloitte & Touche* and many others.

Maverick Angels President – Southern California Chapter 2011 to 2014

The next generation of angel investing by building an end-to-end model to accelerate entrepreneurs’ readiness to seek angel funding; to shorten the lead time from initiation contact to investment decision; and to shorten the time line to a successful exit to a strategic acquirer. Maverick Angels has a network spanning the U.S. as well as creating a strategic alliance with leading European bank - Intesa Sanpaolo - to educate and accelerate European technology startups by applying the Maverick Angel investing model to present promising ventures to European angel, venture capital and private equity networks. Maverick Angels have invested more than \$1 million in three University of Southern California startups – Extrabux, Trojan Storage and Roozt.com.

IMCOR division Spherion Inc. Managing Director 1996 to 1999

A retained search firm specializing in interim executives to rapidly fill managerial gaps in emerging to middle market to Fortune 500 clients. Responsible for client development and management of the resulting search projects.

- Located CEO of a cutting edge, data mining/database marketing company to transition management from the founder to a professionally managed organization, candidate located in fifteen days.
